**SUPPLEMENTAL REQUEST
TO ASSIGN THE ABOVE IDENTIFIED APPLICATION
A SERIAL NUMBER AND FILING DATE**

Dear Sir:

Further to our Request mailed under a June 8, 2001 certificate of mailing date concerning the above identified new patent application filing, enclosed is a copy of the canceled check concerning the \$380 official filing fee accompanying this filing. This canceled check confirms that the United States Patent and Trademark Office did in fact receive the associated application papers some time prior to October 13, 1999, the date the check was cashed, and apparently misplaced the application papers without assigning this case a serial number and a filing date.

If anything further is required in order for the above identified application to be assigned a serial number and filing date, please contact the undersigned to expedite handling of such matter.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
